Hello {FIRST_NAME|Friend},

A United States of America Manufacturer of
Containment Laboratories and Other Products

CERTEK NEWSLETTER

JANUARY 2020

THIS YEAR, RESOLVE TO BE COMMITTED TO MAINTAINING YOUR FACILITIES!

A new year means a new opportunity to commit to the maintenance and longevity of your facilities and equipment. Don't know where to begin? CERTEK can help! Not only do we offer innovative products and mobile and modular laboratories, but we can also provide specialized plans and programs to help you maintain your containment facilities and products so that you can extend the life and use of those items. For more information on these services and more, please contact us via email at info@CERTEK-USA.com or phone at 919-787-3989.

THREE WAYS CERTEK CAN HELP YOU MAINTAIN YOUR FACILITY

Our customized maintenance plans are designed to fit the individual needs of your lab or facility. Even if you have a laboratory or facility not designed and manufactured by CERTEK, we can still create a plan to fit your needs perfectly. You can utilize our CCC APP to make maintenance even easier!

Find out more [here](#).

CERTEK FCO

ENHANCED CONTAINMENT PRODUCTS

Our Filter Change-Out service makes maintaining your laboratory or facility easier by providing safe change-out and disposal of your old filters and making sure new ones are properly installed.

CERTEK DCS

ENHANCED CONTAINMENT PRODUCTS

Our Decontamination Services insure that your lab or facility is safely cleared of harmful biological or chemical contaminants, with Chloride Gas. Already used on U.S. Military Bases, this service has been proven safe and effective.
