A Manufacturer of Containment Laboratories and Other Products

WHAT ARE WE SAYING?

*"Teamwork is the ability to work together toward a common vision.
The ability to direct individual accomplishments toward organizational objectives.
It is the fuel that allows common people to attain uncommon results." - Andrew Carnegie*

Make us a part of your team!

Hello {FIRST_NAME|Friend},

CERTEK is proud to be partners with organizations of diverse backgrounds all over the globe, and we would be honored to be a part of your team as well. Whether you need a custom built mobile or modular laboratory, a product such as a Door Interlock System (DIS) or Pressure Monitor (CPM), or a customized maintenance plan (CCC-MP) for your new or existing facility, teaming up with CERTEK is a great step in insuring the success and safety of your project or facility.

Customized solutions for your needs.

At CERTEK, we pride ourselves on our ability to offer customized solutions for your laboratory needs, as well as custom care and support to assist you in maintaining your laboratory product. You might be surprised to discover that CERTEK is not only able to build custom mobile and modular laboratory facilities to fit your needs, but we also offer customized and managed maintenance plans to meet the needs of your facility. Read below to find out more!

Customized Mobile Laboratories

Our mobile laboratories are not only customizable to fit your specific needs, but they are also fully self sustained, making them a valued choice for projects in secluded areas or those with more challenging terrains. They can be built in various sizes, biosafety levels, and configurations. For more information, [visit our web ReadyPOD Mobile Laboratory page.](#)

Custom Built Modular Laboratories

Our Custom Built Modular Laboratories have many features and benefits, and can be built at all levels of Bio-containment, Animal Containment, and Agricultural Containment. Customized to fit your specific needs, these modular laboratories can provide a safe and affordable working environment. To read more, [visit here.](#)

Custom Care and Support

Our maintenance plan offers customized care and support options, including the CERTEK Custom Care APP for iOS and Android tablets. We work diligently to provide support and care for our mobile and modular laboratories, and can even access your pre-existing laboratory and develop a maintenance plan to help assist you in preserving the functionality and longevity of your laboratory. To find out more about our custom care and support, [click here.](#)
